### DISCOUNT PHOTO TO CANVAS PRINTS

At "Stretch" we transfer peoples photos into high quality stretched canvas prints in sizes from 12"x12" to a whopping 72"x36". But our services don't stop there!

Need a photo super enlarged? This we can also do. We can produce fine art quality photo prints in sizes up to 1 meter wide by any length.

Like a favourite photo image transferred to a full wall photo mural – another of our specialities.

We would happily offer a 10% discount for any HASSRA member (or anyone in DWP/HMRC) on any product order through our website.

We do keep a regular stall at Tynemouth Metro Station market on Sundays as well if anyone prefers a face to face chat.
